File No. 11-1904.
Serial 1-8
Filed. February 1907

SUBJECT.

Sri Varadaraja Swami temple at Hebbur in the Tumkur Taluk

(Repairs)

MUZRAI DEPARTMENT.

OFFICE NOTE.

Subject. Repairs to the Sri Varadarajaswami temple at Hebbur, Tumkur Taluk.

LAST REFERENCE:—

Letter No. 304 dated 5th January 1904 from the Deputy Commissioner, Tumkur District

Sri Nidavalu Venkataramiah one of the members of the Representative Assembly having proposed some improvements to the above temple in ~~connection with~~ the Dasara R.A. of 1902 (which was not held), the Dy. Commissioner was requested to submit an Estimate early providing therein only for such of the repairs as were urgently called for and to report if there were any savings at the Credit of the temple in question

No 670 dated 10.9.03

V

The Dy Commissioner now submits an Estimate amounting to Rs 2185 and states that the Builder, to whom the Estimate was returned on the score of its being very high and with a view to its being curtailed as far as possible by providing only for urgent repairs, reports that the Estimate provides only for urgent repairs and that any curtailment in any of the items therein provided for would "end only to the completion of the temple.

No 304 dated 5.1.04

It is impossible to give such a large amount as Rs. 2185 for this our temple. The devotees of the temple and the Archaks and servants who enjoy the Jaedek grants grant contribute largely towards the repairs, and if a moiety at least of the cost is so contributed, Govt will consider the question of giving help from the State Grant — JM 25/1/04

Reply as above — Js

Note continued

The Deputy Commissioner, who was written to in the above terms, now reports that there are no devotees to this temple who could contribute towards the repairs of the temple, nor are the villagers of Hebbur prepared to contribute in the shape of labor, and that the Archak who enjoys the inam lands of the institution pleads his inability to do so.

No. 394 Dy 2nd Dec. 1904.

Submitted with a draft.

Note continued

The Archak of the temple has deposed before the Amildar that the institution is endowed with a cash grant of Rs 0-15-6 per mensem and also with Devadaya lands as noted below:-

	A. G	Assessment. Rs	Jodi
Dry	3. 35.	4. 4. 0	3-11-0
Wet	0 - 3½.	3. 15-0	5 5-0
	3 - 38½.	8. 3. 0.	9. 0. 0

From the Archak's statement it is observed that the jodi payable to Govt on these lands exceeds the Assessment and that he has been paying the excess amount from the paltry income from the lands and utilises the balance together with the Cash Dasdik for the benefit of the institution

The Cash grant of the temple is only Rs 0-15-6 per mensem or Rs 11 10 0 a year as stated by the Archak.

~~It would however appear that the Archak~~ ~~Rules of the Institution~~ ~~has not been~~ adhered to ~~in all the cases~~ ~~where the fees are fixed by rule~~ ~~have not been~~ ~~submitted~~ under such circumstances it is usual to attach the Inam lands endowed to the Institution

Mirasi Secretary's remarks:—

Strictly speaking under Inam Rule "V" of the Inam Rules, granted to Religious Institutions are to be continued only so long as the Institutions are kept in good order and services continued to be performed therein. It was therefore the duty of the Archak who enjo-

"X" (Extract put up)

the Inam lands and the small Cash Jaidik in this case, to have seen from time to time that the temple did not get out of order. He must be made to feel the result of his negligence, and I would suggest therefore that notice be given to him that unless he exerts himself and Contributes or collects at least half the amount required for repairing the main temple within six months, the Inam lands will be attached. Unless some such threat is held out, private contributions will not easily come in The Deputy Commissioner may make an estimate

of the cost of repairing the main temple alone and intimate it to the Archak.

It is matter for that although the ques of repairing this temple brought forward by a Representative member named Nidavalu Venkatramiah, does not appear to have any interest in the it being reported that none of the villagers is willing to contribute towards the repairs of this temple.

Mr. Cadell is Roll for year and warm attached to the

Sample; there to pay
a judicious excess of
the assessment. The
attachment of the main
lands will cause no
material inconvenience to the
well-disposed whether
a company of Europeans
will even be effected
within a reasonable
time. A threat such
as this may jeopardise
the larger sum
which has to be
realised. We do
not for now get it
putting out notices
to take up the office

Muzrai Secretariat. File No. of 190

The members who
the existing subscriptions
grant may be asked
to collect subscriptions
for the repairs of the
temple with the help
of the archak? Govt.
may promise a grant
equal to the amount
of subscriptions which
they may succeed in
raising if the repairs
of the temple are
undertaken

The Estimate is a large one being for Rs 2185/. The income being very small, the Archak is unable to do anything. The devotees do not come forward with any contribution the State Grant of this year has all

Sir,

With reference to your docket No. 670 dated 10th September 1903, I have the honor to submit herewith for orders, vernacular papers on the subject of repairing the Sri Varadarajaswami temple at Hebbur, Tumkur Taluk. The Amildar has sent up an Estimate for the work which amounts to Rs 2185/-. As the cost of repairs amounted to Rs 2185/- and as there was no money in the surplus funds available at the credit of the institution the Estimate was returned for providing only for such repairs as are urgently needed. It is now reported that all the items in the Estimate are quite indispensable and that any curtailment in them would tend only to the complete ruin of the temple.

I have the honor to be,
Sir,
Your most obedient servant.
